The new system of ordering seems to be working well, please can you always double check your orders and bring in a packed lunch on those days that you have not booked for.

**Please note when ordering meals for your child: DO NOT book a trips packed lunch.** This is only for schools who offer a Chartwells packed lunch for day trips and does not mean that your child will get a packed lunch provided at school.

### **Welcome back**

It is lovely to see all the children back after the Christmas break. The children look lovely in their winter uniform. Please ensure that your child has black school shoes and a warm, waterproof coat every day. Also please make sure that everything is named, especially jumpers, hoodies and coats as these do seem to go missing easily!

### **After School Clubs**

The list of clubs running in the Spring term will be out next week. Some clubs may be running on a different day from last term due to staff meetings so please double check days. All children will need to reapply for their place.

### **Read,write inc books**

We would like to say a huge thank you to the PTA who have kindly paid for our wonderful new Read, Write Inc. books that the children will be taking home to support their reading. We will be holding year group reading meetings in the next few weeks to explain the new home reading books. Please watch out for dates. It is critical that these books are kept in pristine condition and returned on the days required as they are supporting learning in school, following a specific order of teaching. Any lost or damaged books must be replaced at a cost of £4.50 per book via ParentPay.

### **Attendance**

New attendance guidance will be sent out to you over the next couple of weeks: this will explain expected attendance percentages and go through the processes that will be followed if your child's attendance falls below a threshold causing concern. Please help your child by ensuring that they attend school whenever they are well enough to do so.

### **Accelerated Reading**

Well done to 6T who have read an astonishing 8 million words since September. The school's total is now up to over 36 million words- amazing-keep reading!!!
